

Pisteet kotiin voucher

You can redeem your bonus points as a voucher and use it to purchase items to make your home an even better place. For voucher purchases, 111 points equals 5 €.

The following formula is used to work out the monetary value of your tenant bonus points: divide your points by 111 and then multiply the remainder by 5. For example: 1,000 points \div 111 \times 5 = 45.05 €.

If you use your points to renovate your home, you will get significantly more for them compared to their monetary value.

USING YOUR POINTS VOUCHER

You can get a bonus point voucher when you have at least 1,000 tenant bonus points. Check your points balance in the OmaVTS service and order your voucher using the voucher redemption form.

YOU CAN USE YOUR VOUCHER IN OUR PARTNER COMPANIES:

IKEA Lahdesjärvi

TERMS AND CONDITIONS FOR USING YOUR VOUCHER

The voucher must be used for its full value in one purchase as it remains a document for the seller. If the total amount of the purchase is more than the value of the voucher, the tenant must pay the difference. The voucher is valid for one month after it has been issued, the expiry date is printed on the voucher. Unused vouchers will not be refunded.

To redeem your points, you must have paid all due rents and other payments to VTS-kodit. When moving out, you can redeem your points voucher within one month after your security deposit has been processed. After that, your points will expire and cannot be used. If a tenancy agreement is terminated by VTS-kodit for reasons attributable to the tenant, all points will be cancelled.
